## Island Point—In The Pink, White Purple and Blue

Spring has almost finished in our local bush. But some nice flowers and vistas are still there to be seen. The colours pink, white, purple and blue dominate, but yellow is still there. Some of the flowers can be seen “en masse” and provide a lovely spectacle.

### PINK

*Styidium calcaratum*—Book Triggerplant

*Elythranthera emarginata*— Pink Enamel Orchid

*Stylium brunoniarnum*—Pink Fountain Triggerplant

### WHITE

White “Daisies”

PURPLE *Patersonia occidentalis*—Purple Flag

*Thysanotus multiflorus*—Many-flowered Fringe Lily

### BLUE

*Agrostocrinum scabrum*— Blue Grass Lily
